

Amendment filed April 17, 2003, Applicants deleted claims 17-25, 32-41, 62-66 and 72-76 by mistakes without deceptive intent.

Applicants submit that the lamotrigine forms recited in the new claims differ from that disclosed by the cited reference, Acta Cryst., (1989, C45, 129-132) by Janes *et al.* As such, Applicants submit that there is no inherency. Early and favorable action by the Examiner is earnestly solicited.

Respectfully Submitted,
KENYON & KENYON
